| MANUFACTURER                     | N/A                                                                   |
| DESCRIPTION                      | IC TRANSP LATCH OCTAL D 20-QFN                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                            |
| QUANTITY AVAILABLE               | 6518 pcs                                                              |
| DATA SHEET                       |                                                                       |
| VOLTAGE - SUPPLY                 | 2 V ~ 5.5 V                                                           |
| SUPPLIER DEVICE PACKAGE          | 20-VQFN (3.5x4.5)                                                     |
| SERIES                           | 74LV                                                                  |
| PACKAGING                        | Tape & Reel (TR)                                                      |
| PACKAGE / CASE                   | 20-VFQFN Exposed Pad                                                  |
| OUTPUT TYPE                      | Tri-State                                                             |
| OTHER NAMES                      | 296-18746-2                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                          |
| MOUNTING TYPE                    | Surface Mount                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2 (1 Year)                                                            |
| LOGIC TYPE                       | D-Type Transparent Latch                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                            |
| INDEPENDENT CIRCUITS             | 1                                                                     |
| DETAILED DESCRIPTION             | D-Type Transparent Latch 1 Channel 8:8 IC Tri-State 20-VQFN (3.5x4.5) |
| DELAY TIME - PROPAGATION         | 1ns                                                                   |
| CURRENT - OUTPUT HIGH, LOW       | 16mA, 16mA                                                            |
| CIRCUIT                          | 8:8                                                                   |
| BASE PART NUMBER                 | 74LV573                                                               |
