

BD33HC5MEFJ-LBH2

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | BD33HC5MEFJ-LBH2                                                                                             |
| Manufacturer/Brand: | LAPIS Semiconductor                                                                                          |
| Product description | IC REG LINEAR 3.3V 1.5A 8HTSOP-J                                                                             |
| Datasheets:         | <a href="#">PDF 1.BD33HC5MEFJ-LBH2.pdf</a><br><a href="#">PDF 2.BD33HC5MEFJ-LBH2.pdf</a>                     |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 70256 pcs stock                                                                                              |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

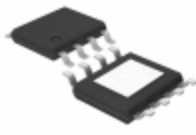

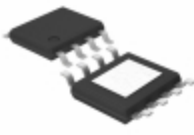

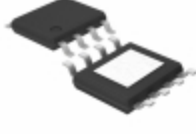

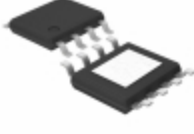

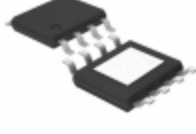

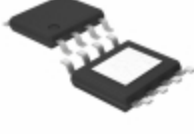

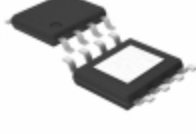

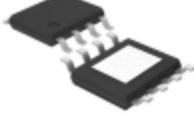

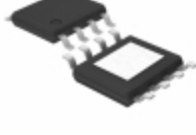

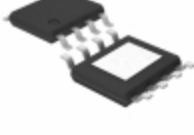

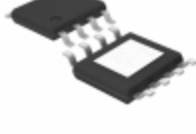

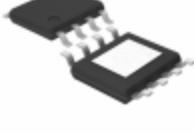

Specifications of BD33HC5MEFJ-LBH2

|                                  |                                                                                          |
|----------------------------------|------------------------------------------------------------------------------------------|
| PART NUMBER                      | BD33HC5MEFJ-LBH2                                                                         |
| MANUFACTURER                     | LAPIS Semiconductor                                                                      |
| DESCRIPTION                      | IC REG LINEAR 3.3V 1.5A 8HTSOP-J                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                               |
| QUANTITY AVAILABLE               | 70256 pcs                                                                                |
| DATA SHEET                       | <a href="#">PDF 1.BD33HC5MEFJ-LBH2.pdf</a><br><a href="#">PDF 2.BD33HC5MEFJ-LBH2.pdf</a> |
| VOLTAGE DROPOUT (MAX)            | 1.2V @ 1.5A                                                                              |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 3.3V                                                                                     |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                        |
| VOLTAGE - INPUT (MAX)            | 8V                                                                                       |
| SUPPLIER DEVICE PACKAGE          | 8-HTSOP-J                                                                                |
| SERIES                           | -                                                                                        |
| PROTECTION FEATURES              | Over Current, Over Temperature, Soft Start                                               |
| PACKAGING                        | Cut Tape (CT)                                                                            |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width) Exposed Pad                                                |
| PSRR                             | -                                                                                        |
| OUTPUT TYPE                      | Fixed                                                                                    |
| OUTPUT CONFIGURATION             | Positive                                                                                 |
| OTHER NAMES                      | BD33HC5MEFJ-LBH2CT                                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 105°C                                                                            |
| NUMBER OF REGULATORS             | 1                                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                               |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC 1 Output 1.5A 8-HTSOP-J                                      |
| CURRENT - SUPPLY (MAX)           | 1.2mA                                                                                    |
| CURRENT - OUTPUT                 | 1.5A                                                                                     |
| CONTROL FEATURES                 | Enable                                                                                   |
