

Honeywell Sensing and Productivity Solutions

Productivity Solutions

Image may be representation. See specifications for product details.

HOA6299-002

Part Number:

HOA6299-002

Manufacturer/Brand:

Honeywell Sensing and Productivity Solutions

Product description

SENSOR OPTO TRANSMITTER

Datasheets:

 HOA6299-002.pdf

RoHs Status

 Lead free / RoHS Compliant

Stock Condition

3583 pcs stock

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

| Specifications of HOA6299-002    |                                                                                                                     |
|----------------------------------|---------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | HOA6299-002                                                                                                         |

| DESCRIPTION                      | SENSOR OPTO TRANSMITTER                                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                          |
| QUANTITY AVAILABLE               | 3583 pcs                                                                                                            |
| DATA SHEET                       |  <a href="#">HOA6299-002.pdf</a> |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 12 V                                                                                                        |
| SERIES                           | HOA6299                                                                                                             |
| SENSING METHOD                   | Transmissive                                                                                                        |
| SENSING DISTANCE                 | 2.5" (63.5mm)                                                                                                       |
| RESPONSE TIME                    | -                                                                                                                   |
| PACKAGE / CASE                   | Module, Connector                                                                                                   |
| OUTPUT CONFIGURATION             | NPN                                                                                                                 |
| OTHER NAMES                      | 480-2972<br>HOA6299002                                                                                              |
| OPERATING TEMPERATURE            | 0°C ~ 50°C (TA)                                                                                                     |
| MOUNTING TYPE                    | -                                                                                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                          |
| DETAILED DESCRIPTION             | Optical Sensor Transmissive 2.5" (63.5mm) Module, Connector                                                         |
