| VOLTAGE - SUPPLY (VCC/VDD)       | 2.3 V ~ 5.5 V                                                                       |
| SUPPLIER DEVICE PACKAGE          | 44-QFN (8x8)                                                                        |
| SPEED                            | 32MHz                                                                               |
| SERIES                           | PIC® XLP™ 16F                                                                       |
| RAM SIZE                         | 2K x 8                                                                              |
| PROGRAM MEMORY TYPE              | FLASH                                                                               |
| PROGRAM MEMORY SIZE              | 28KB (16K x 14)                                                                     |
| PERIPHERALS                      | Brown-out Detect/Reset, POR, PSMC, PWM, WDT                                         |
| PACKAGING                        | Tube                                                                                |
| PACKAGE / CASE                   | 44-VQFN Exposed Pad                                                                 |
| OSCILLATOR TYPE                  | Internal                                                                            |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TA)                                                                  |
| NUMBER OF I/O                    | 35                                                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                          |
| EEPROM SIZE                      | 256 x 8                                                                             |
| DETAILED DESCRIPTION             | PIC PIC® XLP™ 16F Microcontroller IC 8-Bit 32MHz 28KB (16K x 14) FLASH 44-QFN (8x8) |
| DATA CONVERTERS                  | A/D 14x12b, D/A 1x8b, 3x5b                                                          |
| CORE SIZE                        | 8-Bit                                                                               |
| CORE PROCESSOR                   | PIC                                                                                 |
| CONNECTIVITY                     | I²C, LINbus, SPI, UART/USART                                                        |
| BASE PART NUMBER                 | PIC16F1789                                                                          |
