

EE2-4.5TNUH-L

Part Number:

EE2-4.5TNUH-L

Manufacturer/Brand:

KEMET

Product description

RELAY GEN PURPOSE DPDT 2A 250V

Datasheets:

 EE2-4.5TNUH-L.pdf

RoHs Status

 Lead free / RoHS Compliant

Stock Condition

31745 pcs stock

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of EE2-4.5TNUH-L

|                                  |                                                                                                       |

| DATA SHEET                       |  EE2-4.5TNUH-L.pdf |
| TURN ON VOLTAGE (MAX)            | 3.38 VDC                                                                                              |
| TURN OFF VOLTAGE (MIN)           | -                                                                                                     |
| TERMINATION STYLE                | Gull Wing                                                                                             |
| SWITCHING VOLTAGE                | 250VAC, 220VDC - Max                                                                                  |
| SERIES                           | EE2                                                                                                   |
| RELEASE TIME                     | 1ms                                                                                                   |
| RELAY TYPE                       | General Purpose                                                                                       |
| PACKAGING                        | Original-Reel®                                                                                        |
| OTHER NAMES                      | 399-11014-6                                                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                          |
| OPERATE TIME                     | 2ms                                                                                                   |
| MOUNTING TYPE                    | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| FEATURES                         | -                                                                                                     |
| DETAILED DESCRIPTION             | General Purpose Relay DPDT (2 Form C) Surface Mount                                                   |
| CONTACT RATING (CURRENT)         | 2A                                                                                                    |
| CONTACT MATERIAL                 | Silver Alloy, Gold Alloy                                                                              |
| CONTACT FORM                     | DPDT (2 Form C)                                                                                       |
| COIL VOLTAGE                     | 4.5VDC                                                                                                |
| COIL TYPE                        | Latching, Dual Coil                                                                                   |
| COIL RESISTANCE                  | 145 Ohms                                                                                              |
| COIL POWER                       | 140 mW                                                                                                |
| COIL CURRENT                     | 31.1mA                                                                                                |
