BS2I-IC

|                     |                                 |
|---------------------|---------------------------------|
| Part Number:        | BS2I-IC                         |
| Manufacturer/Brand: | Parallax, Inc.                  |
| Product description | MODULE BASIC STAMP 2 INDUSTRIAL |
| Datasheets:         |                                 |
| RoHs Status         | Not applicable / Not applicable |
| Stock Condition     | 2919 pcs stock                  |
| Ship From           | Hong Kong                       |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS           |

REQUEST FOR QUOTATION

|                                |                                                             |
|--------------------------------|-------------------------------------------------------------|
| PART NUMBER                    | BS2I-IC                                                     |
| MANUFACTURER                   | Parallax, Inc.                                              |
| DESCRIPTION                    | MODULE BASIC STAMP 2 INDUSTRIAL                             |
| LEAD FREE STATUS / ROHS STATUS | Not applicable / Not applicable                             |
| QUANTITY AVAILABLE             | 2919 pcs                                                    |
| DATA SHEET                     |                                                             |
| SPEED                          | 20MHz                                                       |
| SIZE / DIMENSION               | 1.2" x 0.6" (30mm x 15mm)                                   |
| SERIES                         | BASIC Stamp®                                                |
| RAM SIZE                       | 32B                                                         |
| OTHER NAMES                    | BS2I-IC<br>BS2I-IC-ND                                       |
| OPERATING TEMPERATURE          | -40°C ~ 85°C                                                |
| MODULE/BOARD TYPE              | MCU Core                                                    |
| LEAD FREE STATUS / ROHS STATUS | Not applicable / Not applicable                             |
| FLASH SIZE                     | 2KB EEPROM                                                  |
| DETAILED DESCRIPTION           | BASIC Stamp® Embedded Module PIC16C57C 20MHz 32B 2KB EEPROM |
| CORE PROCESSOR                 | PIC16C57C                                                   |
| CONNECTOR TYPE                 | -                                                           |
| CO-PROCESSOR                   | -                                                           |
