

The image displays a Honeywell Sensing and Productivity Solutions component, likely a sensor or probe. It features a black, rectangular, slightly angled head at the top. From the bottom of this head, three long, thin, parallel metal rods extend downwards. The rods appear to be made of a polished metal, possibly stainless steel, and are evenly spaced. The background is a plain, light gray, and the overall presentation is clean and professional, typical of a product catalog or technical specification sheet.
