| VOLTAGE - SUPPLY (VCC/VDD)       | 1.6 V ~ 3.6 V                                                                                     |
| SUPPLIER DEVICE PACKAGE          | 64-TQFP (14x14)                                                                                   |
| SPEED                            | 32MHz                                                                                             |
| SERIES                           | AVR® XMEGA® A3U                                                                                   |
| RAM SIZE                         | 16K x 8                                                                                           |
| PROGRAM MEMORY TYPE              | FLASH                                                                                             |
| PROGRAM MEMORY SIZE              | 256KB (128K x 16)                                                                                 |
| PERIPHERALS                      | Brown-out Detect/Reset, DMA, POR, PWM, WDT                                                        |
| PACKAGING                        | Cut Tape (CT)                                                                                     |
| PACKAGE / CASE                   | 64-TQFP                                                                                           |
| OTHER NAMES                      | ATXMEGA256A3U-ANRCT                                                                               |
| OSCILLATOR TYPE                  | Internal                                                                                          |
| OPERATING TEMPERATURE            | -40°C ~ 105°C (TA)                                                                                |
| NUMBER OF I/O                    | 50                                                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                        |
| EEPROM SIZE                      | 4K x 8                                                                                            |
| DETAILED DESCRIPTION             | AVR AVR® XMEGA® A3U Microcontroller IC 8/16-Bit 32MHz 256KB (128K x 16) FLASH 64-TQFP (14x14)     |
| DATA CONVERTERS                  | A/D 16x12b; D/A 2x12b                                                                             |
| CORE SIZE                        | 8/16-Bit                                                                                          |
| CORE PROCESSOR                   | AVR                                                                                               |
| CONNECTIVITY                     | I²C, IrDA, SPI, UART/USART, USB                                                                   |
