| Product description | TOWER MODULE FOR NA                                                                                          |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 1138 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

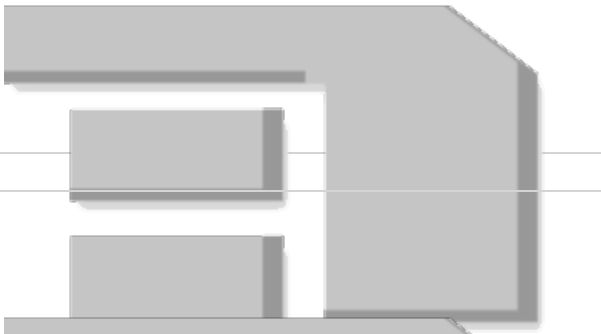

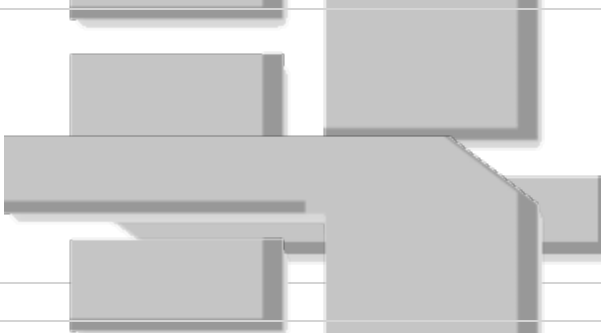

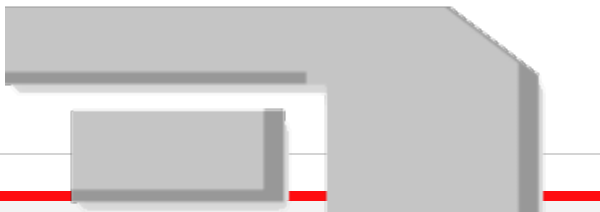

Specifications of TWR-12311-NA

|                                  |                                |
|----------------------------------|--------------------------------|
| PART NUMBER                      | TWR-12311-NA                   |
| MANUFACTURER                     | NXP Semiconductors / Freescale |
| DESCRIPTION                      | TOWER MODULE FOR NA            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant     |
| QUANTITY AVAILABLE               | 1138 pcs                       |
| DATA SHEET                       |                                |
| TYPE                             | Transceiver, ISM               |
| SUPPLIED CONTENTS                | Board(s), Cable(s)             |
| SERIES                           | -                              |
| OTHER NAMES                      | 935326792598                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant     |
| FREQUENCY                        | 915MHz                         |
| FOR USE WITH/RELATED PRODUCTS    | Freescale Tower System         |
