

ADI (Analog Devices, Inc.)

LTC1261CS#TRPBF

Part Number:

LTC1261CS#TRPBF

Manufacturer/Brand:

ADI (Analog Devices, Inc.)

Product description

IC REG SWITCHD CAP INV ADJ 14SOIC

Datasheets:

LTC1261CS#TRPBF.pdf

RoHs Status

Lead free / RoHS Compliant

Stock Condition

31443 pcs stock

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of LTC1261CS#TRPBF

|                                  |                                                                                                            |
|----------------------------------|------------------------------------------------------------------------------------------------------------|

| DATA SHEET                       |  LTC1261CS#TRPBF.pdf    |
| VOLTAGE - OUTPUT (MIN/FIXED)     | -1.25V                                                                                                     |
| VOLTAGE - OUTPUT (MAX)           | -8V                                                                                                        |
| VOLTAGE - INPUT (MIN)            | 3V                                                                                                         |
| VOLTAGE - INPUT (MAX)            | 8V                                                                                                         |
| TOPOLOGY                         | Charge Pump                                                                                                |
| SYNCHRONOUS RECTIFIER            | No                                                                                                         |
| SUPPLIER DEVICE PACKAGE          | 14-SOIC                                                                                                    |
| SERIES                           | -                                                                                                          |
| PACKAGING                        | Tape & Reel (TR)                                                                                           |
| PACKAGE / CASE                   | 14-SOIC (0.154", 3.90mm Width)                                                                             |
| OUTPUT TYPE                      | Adjustable                                                                                                 |
| OUTPUT CONFIGURATION             | Negative                                                                                                   |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                                                                            |
| NUMBER OF OUTPUTS                | 1                                                                                                          |
| MOUNTING TYPE                    | Surface Mount                                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                 |
| FUNCTION                         | Step-Up/Step-Down                                                                                          |
| FREQUENCY - SWITCHING            | 550kHz                                                                                                     |
| DETAILED DESCRIPTION             | Charge Pump Switching Regulator IC Negative Adjustable -1.25V 1 Output 12mA 14-SOIC (0.154", 3.90mm Width) |
| CURRENT - OUTPUT                 | 12mA                                                                                                       |
| BASE PART NUMBER                 | LTC1261                                                                                                    |
