| MANUFACTURER                   | AMI Semiconductor / ON Semiconductor                                                                     |
| DESCRIPTION                    | IC REG LINEAR 150 MA CAP FREE V                                                                          |
| LEAD FREE STATUS / ROHS STATUS |                                                                                                          |
| QUANTITY AVAILABLE             | 660996 pcs                                                                                               |
| DATA SHEET                     |  NCP140BMXC330TCG.pdf |
| VOLTAGE DROPOUT (MAX)          | 0.22V @ 150mA                                                                                            |
| VOLTAGE - OUTPUT (MIN/FIXED)   | 3.3V                                                                                                     |
| VOLTAGE - OUTPUT (MAX)         | -                                                                                                        |
| VOLTAGE - INPUT (MAX)          | 5.5V                                                                                                     |
| SUPPLIER DEVICE PACKAGE        | 4-XDFN (0.8x0.8)                                                                                         |
| SERIES                         | -                                                                                                        |
| PROTECTION FEATURES            | Over Temperature                                                                                         |
| PACKAGING                      | Tape & Reel (TR)                                                                                         |
| PACKAGE / CASE                 | 4-XDFN Exposed Pad                                                                                       |
| PSRR                           | 62dB ~ 55dB (100Hz ~ 1kHz)                                                                               |
| OUTPUT TYPE                    | Fixed                                                                                                    |
| OUTPUT CONFIGURATION           | Positive                                                                                                 |
| OPERATING TEMPERATURE          | -40°C ~ 85°C (TJ)                                                                                        |
| NUMBER OF REGULATORS           | 1                                                                                                        |
| MOUNTING TYPE                  | Surface Mount                                                                                            |
| LEAD FREE STATUS               | Lead free                                                                                                |
| DETAILED DESCRIPTION           | Linear Voltage Regulator IC 1 Output 150mA 4-XDFN (0.8x0.8)                                              |
| CURRENT - QUIESCENT (IQ)       | 75µA                                                                                                     |
| CURRENT - OUTPUT               | 150mA                                                                                                    |
| CONTROL FEATURES               | Enable                                                                                                   |
