LTC4365IDDB

|                     |                                                                                                                      |
|---------------------|----------------------------------------------------------------------------------------------------------------------|
| Part Number:        | LTC4365IDDB                                                                                                          |
| Manufacturer/Brand: | ADI (Analog Devices, Inc.)                                                                                           |
| Product description | IC POWER MANAGEMENT                                                                                                  |
| Datasheets:         |                                                                                                                      |
| RoHs Status         |  Contains lead / RoHS non-compliant |
| Stock Condition     | 6950 pcs stock                                                                                                       |
| Ship From           | Hong Kong                                                                                                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                |

REQUEST FOR QUOTATION

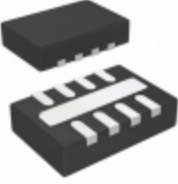

Specifications of LTC4365IDDB

|                                |                                                       |
|--------------------------------|-------------------------------------------------------|
| PART NUMBER                    | LTC4365IDDB                                           |
| MANUFACTURER                   | ADI (Analog Devices, Inc.)                            |
| DESCRIPTION                    | IC POWER MANAGEMENT                                   |
| LEAD FREE STATUS / ROHS STATUS | Contains lead / RoHS non-compliant                    |
| QUANTITY AVAILABLE             | 6950 pcs                                              |
| DATA SHEET                     |                                                       |
| VOLTAGE - SUPPLY               | 2.5 V ~ 34 V                                          |
| SUPPLIER DEVICE PACKAGE        | 8-DFN (3x2)                                           |
| SERIES                         | -                                                     |
| PACKAGE / CASE                 | 8-WFDFN Exposed Pad                                   |
| OPERATING TEMPERATURE          | -40°C ~ 85°C                                          |
| MOUNTING TYPE                  | Surface Mount                                         |
| LEAD FREE STATUS / ROHS STATUS | Contains lead / RoHS non-compliant                    |
| DETAILED DESCRIPTION           | Overvoltage, Undervoltage Protection PMIC 8-DFN (3x2) |
| CURRENT - SUPPLY               | 125µA                                                 |
| APPLICATIONS                   | Overvoltage, Undervoltage Protection                  |
