

**ADI (Analog Devices, Inc.)**

Part Number: LTC2657BIFE-L16#PBF

Manufacturer/Brand: ADI (Analog Devices, Inc.)

Product description: IC DAC 16BIT I2C 20-TSSOP

Datasheets:  LTC2657BIFE-L16#PBF.pdf

RoHs Status:  Lead free / RoHS Compliant

Stock Condition: 3003 pcs stock

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of LTC2657BIFE-L16#PBF

|                                  |                                                                                                             |
|----------------------------------|-------------------------------------------------------------------------------------------------------------|

| DATA SHEET                       |  LTC2657BIFE-L16#PBF.pdf |
| VOLTAGE - SUPPLY, DIGITAL        | 2.7 V ~ 5.5 V                                                                                               |
| VOLTAGE - SUPPLY, ANALOG         | 2.7 V ~ 5.5 V                                                                                               |
| SUPPLIER DEVICE PACKAGE          | 20-TSSOP-EP                                                                                                 |
| SETTLING TIME                    | 9.1μs (Typ)                                                                                                 |
| SERIES                           | -                                                                                                           |
| REFERENCE TYPE                   | External, Internal                                                                                          |
| PACKAGING                        | Tube                                                                                                        |
| PACKAGE / CASE                   | 20-TSSOP (0.173", 4.40mm Width) Exposed Pad                                                                 |
| OUTPUT TYPE                      | Voltage - Buffered                                                                                          |
| OTHER NAMES                      | LTC2657BIFEL16PBF                                                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                |
| NUMBER OF D/A CONVERTERS         | 8                                                                                                           |
| NUMBER OF BITS                   | 16                                                                                                          |
| MOUNTING TYPE                    | Surface Mount                                                                                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                  |
| INL/DNL (LSB)                    | ±2, ±0.3                                                                                                    |
| DIFFERENTIAL OUTPUT              | No                                                                                                          |
| DETAILED DESCRIPTION             | 16 Bit Digital to Analog Converter 8 20-TSSOP-EP                                                            |
| DATA INTERFACE                   | I²C                                                                                                         |
| BASE PART NUMBER                 | LTC2657                                                                                                     |
| ARCHITECTURE                     | -                                                                                                           |
