

LP38691QSDX-ADJ/NOPB

|                     |                                |
|---------------------|--------------------------------|
| Part Number:        | LP38691QSDX-ADJ/NOPB           |
| Manufacturer/Brand: | N/A                            |
| Product description | IC REG LIN POS ADJ 500MA 6WSON |
| Datasheets:         |                                |
| RoHS Status         | Lead free / RoHS Compliant     |
| Stock Condition     | 123253 pcs stock               |
| Ship From           | Hong Kong                      |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS          |

REQUEST FOR QUOTATION

Specifications of LP38691QSDX-ADJ/NOPB

|                                  |                                                                                          |
|----------------------------------|------------------------------------------------------------------------------------------|

| DESCRIPTION                      | IC REG LIN POS ADJ 500MA 6WSON                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                               |
| QUANTITY AVAILABLE               | 123253 pcs                                                                               |
| DATA SHEET                       |                                                                                          |
| VOLTAGE DROPOUT (MAX)            | -                                                                                        |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 1.25V                                                                                    |
| VOLTAGE - OUTPUT (MAX)           | 9V                                                                                       |
| VOLTAGE - INPUT (MAX)            | 10V                                                                                      |
| SUPPLIER DEVICE PACKAGE          | 6-WSON (3x3)                                                                             |
| SERIES                           | Automotive, AEC-Q100                                                                     |
| PROTECTION FEATURES              | Over Temperature                                                                         |
| PACKAGING                        | Tape & Reel (TR)                                                                         |
| PACKAGE / CASE                   | 6-WDFN Exposed Pad                                                                       |
| PSRR                             | 55dB (120Hz)                                                                             |
| OUTPUT TYPE                      | Adjustable                                                                               |
| OUTPUT CONFIGURATION             | Positive                                                                                 |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                            |
| NUMBER OF REGULATORS             | 1                                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                               |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Adjustable 1 Output 1.25 V ~ 9 V 500mA 6-WSON (3x3) |
| CURRENT - SUPPLY (MAX)           | 100μA                                                                                    |
| CURRENT - QUIESCENT (IQ)         | 55μA                                                                                     |
| CURRENT - OUTPUT                 | 500mA                                                                                    |
| CONTROL FEATURES                 | -                                                                                        |
| BASE PART NUMBER                 | LP38691                                                                                  |
