

STMicroelectronics

L6562N

Part Number: L6562N

Manufacturer/Brand: STMicroelectronics

Product description: IC PFC CTRLR TRANSITION 8DIP

Datasheets:  L6562N.pdf

RoHs Status:  Lead free / RoHS Compliant

Stock Condition: 207165 pcs stock

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of L6562N

|                                  |                                                                                                |

| DATA SHEET                       |  L6562N.pdf |
| VOLTAGE - SUPPLY                 | 10.3 V ~ 22 V                                                                                  |
| SUPPLIER DEVICE PACKAGE          | 8-DIP                                                                                          |
| SERIES                           | -                                                                                              |
| PACKAGING                        | Tube                                                                                           |
| PACKAGE / CASE                   | 8-DIP (0.300", 7.62mm)                                                                         |
| OTHER NAMES                      | 497-5329-5<br>E-L6562N<br>E-L6562N-ND                                                          |
| OPERATING TEMPERATURE            | -25°C ~ 125°C                                                                                  |
| MOUNTING TYPE                    | Through Hole                                                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                  |
| MODE                             | Discontinuous (Transition)                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                     |
| FREQUENCY - SWITCHING            | 1MHz                                                                                           |
| DETAILED DESCRIPTION             | PFC IC Discontinuous (Transition) 1MHz 8-DIP                                                   |
| CURRENT - STARTUP                | 40μA                                                                                           |
| BASE PART NUMBER                 | L6562                                                                                          |
