| DATA SHEET                       |  STLQ020J33R.pdf |
| VOLTAGE DROPOUT (MAX)            | 0.16V @ 200mA                                                                                       |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 3.3V                                                                                                |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                                   |
| VOLTAGE - INPUT (MAX)            | 5.5V                                                                                                |
| SUPPLIER DEVICE PACKAGE          | 4-FlipChip (0.77x0.77)                                                                              |
| SERIES                           | -                                                                                                   |
| PROTECTION FEATURES              | Over Current, Over Temperature                                                                      |
| PACKAGING                        | Tape & Reel (TR)                                                                                    |
| PACKAGE / CASE                   | 4-UFPGA, FCBGA                                                                                      |
| PSRR                             | 52dB ~ 45dB (100Hz ~ 10kHz)                                                                         |
| OUTPUT TYPE                      | Fixed                                                                                               |
| OUTPUT CONFIGURATION             | Positive                                                                                            |
| OTHER NAMES                      | 497-18117-2                                                                                         |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                       |
| NUMBER OF REGULATORS             | 1                                                                                                   |
| MOUNTING TYPE                    | Surface Mount                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                       |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC 1 Output 200mA 4-FlipChip (0.77x0.77)                                   |
| CURRENT - SUPPLY (MAX)           | 150µA                                                                                               |
| CURRENT - QUIESCENT (IQ)         | 1µA                                                                                                 |
| CURRENT - OUTPUT                 | 200mA                                                                                               |
| CONTROL FEATURES                 | Enable                                                                                              |
