| MANUFACTURER                     | Micrel / Microchip Technology                                                                                           |
| DESCRIPTION                      | IC PW DIST SW DUAL 8SOIC                                                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                              |
| QUANTITY AVAILABLE               | 143902 pcs                                                                                                              |
| DATA SHEET                       |  <a href="#">MIC2026A-2YM-TR.pdf</a> |
| VOLTAGE - SUPPLY (VCC/VDD)       | Not Required                                                                                                            |
| VOLTAGE - LOAD                   | 2.7 V ~ 5.5 V                                                                                                           |
| SWITCH TYPE                      | General Purpose                                                                                                         |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                                                                                  |
| SERIES                           | -                                                                                                                       |
| RDS ON (TYP)                     | 100 mOhm                                                                                                                |
| RATIO - INPUT:OUTPUT             | 1:2                                                                                                                     |
| PACKAGING                        | Tape & Reel (TR)                                                                                                        |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                                                                           |
| OUTPUT TYPE                      | N-Channel                                                                                                               |
| OUTPUT CONFIGURATION             | High Side                                                                                                               |
| OTHER NAMES                      | MIC2026A-2YM TR<br>MIC2026A-2YM TR-ND                                                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                       |
| NUMBER OF OUTPUTS                | 2                                                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                              |
| INTERFACE                        | On/Off                                                                                                                  |
| INPUT TYPE                       | Non-Inverting                                                                                                           |
| FEATURES                         | Slew Rate Controlled, Status Flag                                                                                       |
| FAULT PROTECTION                 | Current Limiting (Fixed), Over Temperature, UVLO                                                                        |
| CURRENT - OUTPUT (MAX)           | 500mA                                                                                                                   |
