

Part Number:BR93G46FV-3BGTE2

Manufacturer/Brand:LAPIS Semiconductor

Product description:MICROWIRE BUS 1KBIT(64X16BIT) EE

PDF

Specifications of BR93G46FV-3BGTE2

|                                  |                                                                                                 |
|----------------------------------|-------------------------------------------------------------------------------------------------|
| PART NUMBER                      | BR93G46FV-3BGTE2                                                                                |
| MANUFACTURER                     | LAPIS Semiconductor                                                                             |
| DESCRIPTION                      | MICROWIRE BUS 1KBIT(64X16BIT) EE                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                      |
| QUANTITY AVAILABLE               | 430004 pcs                                                                                      |
| DATA SHEET                       | <div><div>PDF</div>1.BR93G46FV-3BGTE2.pdf</div> <div><div>PDF</div>2.BR93G46FV-3BGTE2.pdf</div> |
| WRITE CYCLE TIME - WORD, PAGE    | 5ms                                                                                             |
| VOLTAGE - SUPPLY                 | 1.7 V ~ 5.5 V                                                                                   |
| TECHNOLOGY                       | EEPROM                                                                                          |
| SUPPLIER DEVICE PACKAGE          | 8-SSOPB                                                                                         |
| SERIES                           | -                                                                                               |
| PACKAGING                        | Cut Tape (CT)                                                                                   |
| PACKAGE / CASE                   | 8-TSSOP (0.173", 4.40mm Width)                                                                  |
| OTHER NAMES                      | BR93G46FV-3BGTE2CT                                                                              |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                               |
| MOUNTING TYPE                    | Surface Mount                                                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                   |
| MEMORY TYPE                      | Non-Volatile                                                                                    |
| MEMORY SIZE                      | 1Kb (64 x 16)                                                                                   |
| MEMORY INTERFACE                 | SPI                                                                                             |
| MEMORY FORMAT                    | EEPROM                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                      |
| DETAILED DESCRIPTION             | EEPROM Memory IC 1Kb (64 x 16) SPI 3MHz 8-SSOPB                                                 |
| CLOCK FREQUENCY                  | 3MHz                                                                                            |
