| DESCRIPTION                      | IC MPU MPC82XX 333MHZ 480TBGA                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                 |
| QUANTITY AVAILABLE               | 3109 pcs                                                                           |
| DATA SHEET                       |                                                                                    |
| VOLTAGE - I/O                    | 3.3V                                                                               |
| USB                              | USB 2.0 (1)                                                                        |
| SUPPLIER DEVICE PACKAGE          | 480-TBGA (37.5x37.5)                                                               |
| SPEED                            | 333MHz                                                                             |
| SERIES                           | MPC82xx                                                                            |
| SECURITY FEATURES                | -                                                                                  |
| SATA                             | -                                                                                  |
| RAM CONTROLLERS                  | DRAM, SDRAM                                                                        |
| PACKAGING                        | Tray                                                                               |
| PACKAGE / CASE                   | 480-LBGA Exposed Pad                                                               |
| OPERATING TEMPERATURE            | -40°C ~ 105°C (TA)                                                                 |
| NUMBER OF CORES/BUS WIDTH        | 1 Core, 32-Bit                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2A (4 Weeks)                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                 |
| GRAPHICS ACCELERATION            | No                                                                                 |
| ETHERNET                         | 10/100 Mbps (3)                                                                    |
| DISPLAY & INTERFACE CONTROLLERS  | -                                                                                  |
| DETAILED DESCRIPTION             | PowerPC G2_LE Microprocessor IC MPC82xx 1 Core, 32-Bit 333MHz 480-TBGA (37.5x37.5) |
| CORE PROCESSOR                   | PowerPC G2_LE                                                                      |
| CO-PROCESSORS/DSP                | Communications; RISC CPM                                                           |
| BASE PART NUMBER                 | MPC8270                                                                            |
| ADDITIONAL INTERFACES            | I²C, SCC, SMC, SPI, UART, USART                                                    |
