| QUANTITY AVAILABLE               | 97040 pcs                                                                                               |
| DATA SHEET                       |  ATA8741C-PXQW-1.pdf |
| VOLTAGE - SUPPLY                 | 2 V ~ 4 V                                                                                               |
| SERIES                           | -                                                                                                       |
| POWER - OUTPUT                   | 8dBm                                                                                                    |
| PACKAGING                        | Cut Tape (CT)                                                                                           |
| PACKAGE / CASE                   | 24-VQFN Exposed Pad                                                                                     |
| OTHER NAMES                      | 1611-ATA8741C-PXQW-1CT                                                                                  |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                           |
| MODULATION OR PROTOCOL           | UHF                                                                                                     |
| MEMORY SIZE                      | 4kB Flash, 256B EEPROM, 256B SRAM                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| FREQUENCY                        | 310MHz ~ 350MHz                                                                                         |
| FEATURES                         | -                                                                                                       |
| DETAILED DESCRIPTION             | RF Transmitter UHF 310MHz ~ 350MHz 8dBm 32kbps PCB, Surface Mount Antenna 24-VQFN Exposed Pad           |
| DATA RATE (MAX)                  | 32kbps                                                                                                  |
| DATA INTERFACE                   | SPI                                                                                                     |
| CURRENT - TRANSMITTING           | 9.8mA                                                                                                   |
| APPLICATIONS                     | General Purpose                                                                                         |
| ANTENNA CONNECTOR                | PCB, Surface Mount                                                                                      |
