MT29F4G16AACWC-ET:C TR

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | MT29F4G16AACWC-ET:C TR                                                                                       |
| Manufacturer/Brand: | Micron Technology                                                                                            |
| Product description | IC FLASH 4G PARALLEL 48TSOP                                                                                  |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 9778 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of MT29F4G16AACWC-ET:C TR

|                                  |                                                         |
|----------------------------------|---------------------------------------------------------|
| PART NUMBER                      | MT29F4G16AACWC-ET:C TR                                  |
| MANUFACTURER                     | Micron Technology                                       |
| DESCRIPTION                      | IC FLASH 4G PARALLEL 48TSOP                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                              |
| QUANTITY AVAILABLE               | 9778 pcs                                                |
| DATA SHEET                       |                                                         |
| WRITE CYCLE TIME - WORD, PAGE    | -                                                       |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 3.6 V                                           |
| TECHNOLOGY                       | FLASH - NAND                                            |
| SUPPLIER DEVICE PACKAGE          | 48-TSOP                                                 |
| SERIES                           | -                                                       |
| PACKAGING                        | Tape & Reel (TR)                                        |
| PACKAGE / CASE                   | 48-TSOP                                                 |
| OTHER NAMES                      | 557-1368-2<br>MT29F4G16AACWC-ET:C                       |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                       |
| MOUNTING TYPE                    | Surface Mount                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2 (1 Year)                                              |
| MEMORY TYPE                      | Non-Volatile                                            |
| MEMORY SIZE                      | 4Gb (256M x 16)                                         |
| MEMORY INTERFACE                 | Parallel                                                |
| MEMORY FORMAT                    | FLASH                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                              |
| DETAILED DESCRIPTION             | FLASH - NAND Memory IC 4Gb (256M x 16) Parallel 48-TSOP |
| BASE PART NUMBER                 | MT29F4G16                                               |
