M2S050-1FG484

|                     |                                                                                                                      |
|---------------------|----------------------------------------------------------------------------------------------------------------------|
| Part Number:        | M2S050-1FG484                                                                                                        |
| Manufacturer/Brand: | Microsemi                                                                                                            |
| Product description | IC FPGA SOC 50K LUTS 484FBGA                                                                                         |
| Datasheets:         | <a href="#">1.M2S050-1FG484.pdf</a><br><a href="#">2.M2S050-1FG484.pdf</a>                                           |
| RoHs Status         |  Contains lead / RoHS non-compliant |
| Stock Condition     | 798 pcs stock                                                                                                        |
| Ship From           | Hong Kong                                                                                                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                |

REQUEST FOR QUOTATION

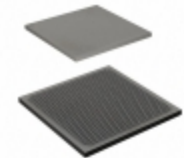

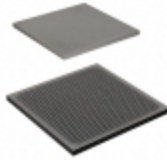

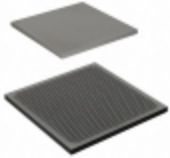

Specifications of M2S050-1FG484

|                                  |                                                                                                                    |

| SUPPLIER DEVICE PACKAGE          | 484-FPBGA (23x23)                                                                                                  |
| SPEED                            | 166MHz                                                                                                             |
| SERIES                           | SmartFusion®2                                                                                                      |
| RAM SIZE                         | 64KB                                                                                                               |
| PRIMARY ATTRIBUTES               | FPGA - 50K Logic Modules                                                                                           |
| PERIPHERALS                      | DDR, PCIe, SERDES                                                                                                  |
| PACKAGING                        | Tray                                                                                                               |
| PACKAGE / CASE                   | 484-BGA                                                                                                            |
| OPERATING TEMPERATURE            | 0°C ~ 85°C (TJ)                                                                                                    |
| NUMBER OF I/O                    | 267                                                                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                 |
| FLASH SIZE                       | 256KB                                                                                                              |
| DETAILED DESCRIPTION             | ARM® Cortex®-M3 System On Chip (SOC) IC SmartFusion®2 FPGA - 50K Logic Modules 256KB 64KB 166MHz 484-FPBGA (23x23) |
| CORE PROCESSOR                   | ARM® Cortex®-M3                                                                                                    |
| CONNECTIVITY                     | CANbus, Ethernet, I²C, SPI, UART/USART, USB                                                                        |
| BASE PART NUMBER                 | M2S050                                                                                                             |
| ARCHITECTURE                     | MCU, FPGA                                                                                                          |
