| DESCRIPTION                    | VOICE CONTROLLED TV ASR                             |
| LEAD FREE STATUS / ROHS STATUS | RoHS Compliant                                      |
| QUANTITY AVAILABLE             | 8666 pcs                                            |
| DATA SHEET                     |                                                     |
| VOLTAGE - SUPPLY               | -                                                   |
| SUPPLIER DEVICE PACKAGE        | 64-QFN (9x9)                                        |
| SPECIFICATIONS                 | -                                                   |
| SERIES                         | AcuEdge™                                            |
| ROHS STATUS                    | RoHS Compliant                                      |
| PACKAGE / CASE                 | 64-VFQFN Exposed Pad                                |
| OPERATING TEMPERATURE          | -                                                   |
| NUMBER OF CHANNELS             | 4                                                   |
| INTERFACE                      | I²C, SPI                                            |
| FUNCTION                       | Audio Signal Processor                              |
| DETAILED DESCRIPTION           | Audio Audio Signal Processor 4 Channel 64-QFN (9x9) |
| APPLICATIONS                   | Audio Systems                                       |
