Specifications of NLV14099BDWR2G

|                                  |                                                                                                                        |
|----------------------------------|------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | NLV14099BDWR2G                                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                                   |
| DESCRIPTION                      | IC LATCH 8BIT 16SOIC                                                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| QUANTITY AVAILABLE               | 167900 pcs                                                                                                             |
| DATA SHEET                       |  <a href="#">NLV14099BDWR2G.pdf</a> |
| VOLTAGE - SUPPLY                 | 3 V ~ 18 V                                                                                                             |
| SUPPLIER DEVICE PACKAGE          | 16-SOIC                                                                                                                |
| SERIES                           | Automotive, AEC-Q100                                                                                                   |
| PACKAGING                        | Tape & Reel (TR)                                                                                                       |
| PACKAGE / CASE                   | 16-SOIC (0.295", 7.50mm Width)                                                                                         |
| OUTPUT TYPE                      | Standard                                                                                                               |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                                                                                          |
| MOUNTING TYPE                    | Surface Mount                                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                          |
| LOGIC TYPE                       | D-Type, Addressable                                                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| INDEPENDENT CIRCUITS             | 1                                                                                                                      |
| DETAILED DESCRIPTION             | D-Type, Addressable 1 Channel 4:4 IC Standard 16-SOIC                                                                  |
| DELAY TIME - PROPAGATION         | 50ns                                                                                                                   |
| CURRENT - OUTPUT HIGH, LOW       | 8.8mA, 8.8mA                                                                                                           |
| CIRCUIT                          | 4:4                                                                                                                    |
