

X9C503PZ

|                     |                              |
|---------------------|------------------------------|
| Part Number:        | X9C503PZ                     |
| Manufacturer/Brand: | Intersil                     |
| Product description | IC XDCP 100-TAP 50K EE 8-DIP |
| Datasheets:         | X9C503PZ.pdf                 |
| RoHs Status         | Lead free / RoHS Compliant   |
| Stock Condition     | 18992 pcs stock              |
| Ship From           | Hong Kong                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS        |

REQUEST FOR QUOTATION

Specifications of X9C503PZ

| MANUFACTURER                     | Intersil                                                                                 |
| DESCRIPTION                      | IC XDCP 100-TAP 50K EE 8-DIP                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                               |
| QUANTITY AVAILABLE               | 18992 pcs                                                                                |
| DATA SHEET                       | X9C503PZ.pdf                                                                             |
| VOLTAGE - SUPPLY                 | 5V                                                                                       |
| TOLERANCE                        | ±20%                                                                                     |
| TEMPERATURE COEFFICIENT (TYP)    | ±300 ppm/°C                                                                              |
| TAPER                            | Linear                                                                                   |
| SUPPLIER DEVICE PACKAGE          | 8-PDIP                                                                                   |
| SERIES                           | XDCP™                                                                                    |
| RESISTANCE - WIPER (OHMS) (TYP)  | 40                                                                                       |
| RESISTANCE (OHMS)                | 50k                                                                                      |
| PACKAGING                        | Tube                                                                                     |
| PACKAGE / CASE                   | 8-DIP (0.300", 7.62mm)                                                                   |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                               |
| NUMBER OF TAPS                   | 100                                                                                      |
| NUMBER OF CIRCUITS               | 1                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                            |
| MEMORY TYPE                      | Non-Volatile                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                               |
| INTERFACE                        | Up/Down (U/D, INC, CS)                                                                   |
| FEATURES                         | -                                                                                        |
| DETAILED DESCRIPTION             | Digital Potentiometer 50k Ohm 1 Circuit 100 Taps Up/Down (U/D, INC, CS) Interface 8-PDIP |
| CONFIGURATION                    | Potentiometer                                                                            |
| BASE PART NUMBER                 | X9C503                                                                                   |
