

LTC4309CGN#PBF

Part Number:

LTC4309CGN#PBF

Manufacturer/Brand:

ADI (Analog Devices, Inc.)

Product description

IC ACCELERATR I2C HOTSWAP 16SSOP

Datasheets:

 LTC4309CGN#PBF.pdf

RoHs Status

 Lead free / RoHS Compliant

Stock Condition

23400 pcs stock

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

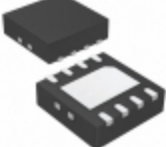

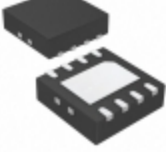

Specifications of LTC4309CGN#PBF

|                                  |                                                                                                        |
|----------------------------------|--------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | LTC4309CGN#PBF                                                                                         |

| DESCRIPTION                      | IC ACCELERATR I2C HOTSWAP 16SSOP                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| QUANTITY AVAILABLE               | 23400 pcs                                                                                              |
| DATA SHEET                       |  LTC4309CGN#PBF.pdf |
| VOLTAGE - SUPPLY                 | 2.3 V ~ 5.5 V                                                                                          |
| TYPE                             | Buffer, Accelerator                                                                                    |
| SUPPLIER DEVICE PACKAGE          | 16-SSOP                                                                                                |
| SIGNAL CONDITIONING              | -                                                                                                      |
| SERIES                           | -                                                                                                      |
| PACKAGING                        | Tube                                                                                                   |
| PACKAGE / CASE                   | 16-SSOP (0.154", 3.90mm Width)                                                                         |
| OUTPUT                           | 2-Wire Bus                                                                                             |
| OTHER NAMES                      | LTC4309CGNPBF                                                                                          |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                                             |
| NUMBER OF CHANNELS               | 2                                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| INPUT                            | 2-Wire Bus                                                                                             |
| DETAILED DESCRIPTION             | Buffer, Accelerator 2 Channel 400kHz 16-SSOP                                                           |
| DELAY TIME                       | -                                                                                                      |
| DATA RATE (MAX)                  | 400kHz                                                                                                 |
| CURRENT - SUPPLY                 | 7mA                                                                                                    |
| CAPACITANCE - INPUT              | 10pF                                                                                                   |
| BASE PART NUMBER                 | LTC4309                                                                                                |
| APPLICATIONS                     | I²C - Hotswap                                                                                          |
