Specifications of LT3585EDDB-1#TRPBF

|                                  |                                                                                                                            |
|----------------------------------|----------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | LT3585EDDB-1#TRPBF                                                                                                         |
| MANUFACTURER                     | ADI (Analog Devices, Inc.)                                                                                                 |
| DESCRIPTION                      | IC CHARGER PHOTOFLASH 10-DFN                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                 |
| QUANTITY AVAILABLE               | 67135 pcs                                                                                                                  |
| DATA SHEET                       |  <a href="#">LT3585EDDB-1#TRPBF.pdf</a> |
| VOLTAGE - SUPPLY                 | 1.5 V ~ 16 V                                                                                                               |
| SUPPLIER DEVICE PACKAGE          | 10-DFN (3x2)                                                                                                               |
| SERIES                           | -                                                                                                                          |
| PACKAGING                        | Tape & Reel (TR)                                                                                                           |
| PACKAGE / CASE                   | 10-WDFDN Exposed Pad                                                                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                               |
| MOUNTING TYPE                    | Surface Mount                                                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                 |
| DETAILED DESCRIPTION             | Photoflash Capacitor Charger, Xenon PMIC 10-DFN (3x2)                                                                      |
| CURRENT - SUPPLY                 | 5mA                                                                                                                        |
| BASE PART NUMBER                 | LT3585                                                                                                                     |
| APPLICATIONS                     | Photoflash Capacitor Charger, Xenon                                                                                        |
