| DESCRIPTION                      | IC BUF NON-INVERT 5.5V 14VQFN                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                         |
| QUANTITY AVAILABLE               | 647257 pcs                                                                         |
| DATA SHEET                       |                                                                                    |
| VOLTAGE - SUPPLY                 | 2 V ~ 5.5 V                                                                        |
| SUPPLIER DEVICE PACKAGE          | 14-VQFN (3.5x3.5)                                                                  |
| SERIES                           | 74LV                                                                               |
| PACKAGING                        | Tape & Reel (TR)                                                                   |
| PACKAGE / CASE                   | 14-VFQFN Exposed Pad                                                               |
| OUTPUT TYPE                      | 3-State                                                                            |
| OTHER NAMES                      | 296-13932-2                                                                        |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TA)                                                                 |
| NUMBER OF ELEMENTS               | 4                                                                                  |
| NUMBER OF BITS PER ELEMENT       | 1                                                                                  |
| MOUNTING TYPE                    | Surface Mount                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2 (1 Year)                                                                         |
| LOGIC TYPE                       | Buffer, Non-Inverting                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                         |
| INPUT TYPE                       | -                                                                                  |
| DETAILED DESCRIPTION             | Buffer, Non-Inverting 4 Element 1 Bit per Element 3-State Output 14-VQFN (3.5x3.5) |
| CURRENT - OUTPUT HIGH, LOW       | 16mA, 16mA                                                                         |
| BASE PART NUMBER                 | 74LV125                                                                            |
