

ON Semiconductor®  

AMI Semiconductor / ON

Semiconductor

Part Number:74FST6800DWR2

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC BUS SWITCH 10BIT 24SOIC

Datasheets: 74FST6800DWR2.pdf

RoHs Status: Contains lead / RoHS non-compliant

Stock Condition:4729 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of 74FST6800DWR2

|                                  |                                                                                                       |

| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                  |
| DESCRIPTION                      | IC BUS SWITCH 10BIT 24SOIC                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                    |
| QUANTITY AVAILABLE               | 4729 pcs                                                                                              |
| DATA SHEET                       |  74FST6800DWR2.pdf |
| VOLTAGE SUPPLY SOURCE            | Single Supply                                                                                         |
| VOLTAGE - SUPPLY                 | 4 V ~ 5.5 V                                                                                           |
| TYPE                             | Bus Switch                                                                                            |
| SUPPLIER DEVICE PACKAGE          | 24-SOIC                                                                                               |
| SERIES                           | 74FST                                                                                                 |
| PACKAGING                        | Tape & Reel (TR)                                                                                      |
| PACKAGE / CASE                   | 24-SOIC (0.295", 7.50mm Width)                                                                        |
| OTHER NAMES                      | 74FST6800DWR2OS                                                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                          |
| MOUNTING TYPE                    | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                    |
| INDEPENDENT CIRCUITS             | 1                                                                                                     |
| DETAILED DESCRIPTION             | Bus Switch 10 x 1:1 24-SOIC                                                                           |
| CURRENT - OUTPUT HIGH, LOW       | -                                                                                                     |
| CIRCUIT                          | 10 x 1:1                                                                                              |
| BASE PART NUMBER                 | 74FST6800                                                                                             |
