

SII Semiconductor Corporation

Part Number:

S-80812CLNB-B7QT2G

Manufacturer/Brand:

SII Semiconductor Corporation

Product description

IC VOLT DETECTOR 1.2V SC-82AB

Datasheets:

 S-80812CLNB-B7QT2G.pdf

RoHs Status

 Lead free / RoHS Compliant

Stock Condition

295059 pcs stock

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

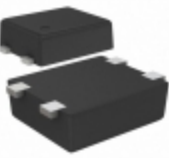

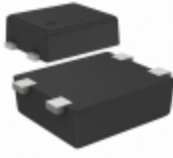

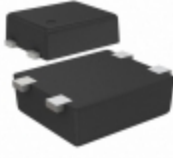

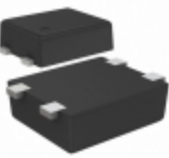

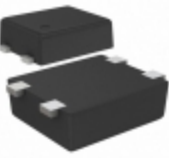

Specifications of S-80812CLNB-B7QT2G

|                                  |                                                                                                            |

| DATA SHEET                       |  S-80812CLNB-B7QT2G.pdf |
| VOLTAGE - THRESHOLD              | 1.2V                                                                                                       |
| TYPE                             | Voltage Detector                                                                                           |
| SUPPLIER DEVICE PACKAGE          | SC-82AB                                                                                                    |
| SERIES                           | S-808xxC                                                                                                   |
| RESET TIMEOUT                    | -                                                                                                          |
| RESET                            | Active Low                                                                                                 |
| PACKAGING                        | Tape & Reel (TR)                                                                                           |
| PACKAGE / CASE                   | SC-82A, SOT-343                                                                                            |
| OUTPUT                           | Push-Pull, Totem Pole                                                                                      |
| OTHER NAMES                      | S-80812CLNB-B7QT2G=ND<br>S-80812CLNB-B9QT2G<br>S-80812CLNB-B9QT2G-ND                                       |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                          |
| NUMBER OF VOLTAGES MONITORED     | 1                                                                                                          |
| MOUNTING TYPE                    | Surface Mount                                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                 |
| DETAILED DESCRIPTION             | Supervisor Push-Pull, Totem Pole 1 Channel SC-82AB                                                         |
