| DESCRIPTION                      | IC TEMP SENS/SWITCH 135C 6WSON                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                      |
| QUANTITY AVAILABLE               | 155985 pcs                                                                      |
| DATA SHEET                       |                                                                                 |
| VOLTAGE - SUPPLY                 | 1.6V ~ 5.5V                                                                     |
| TRIP TEMPERATURE THRESHOLD       | Hot                                                                             |
| SWITCHING TEMPERATURE            | 135°C                                                                           |
| SUPPLIER DEVICE PACKAGE          | 6-WSON (2.2x2.5)                                                                |
| SERIES                           | -                                                                               |
| SELECTABLE HYSTERESIS            | No                                                                              |
| PACKAGING                        | Tape & Reel (TR)                                                                |
| PACKAGE / CASE                   | 6-WDFN Exposed Pad                                                              |
| OUTPUT TYPE                      | Open Drain, Push-Pull                                                           |
| OUTPUT FUNCTION                  | OverTemp, /OverTemp, VTemp                                                      |
| OUTPUT                           | Active High, Active Low                                                         |
| OTHER NAMES                      | LM26LVCISDX-135<br>LM26LVCISDX-135-ND                                           |
| OPERATING TEMPERATURE            | -50°C ~ 150°C                                                                   |
| MOUNTING TYPE                    | Surface Mount                                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                      |
| FEATURES                         | Trip Test                                                                       |
| DETAILED DESCRIPTION             | Thermostat 135°C Active High, Active Low Open Drain, Push-Pull 6-WSON (2.2x2.5) |
| CURRENT - SUPPLY                 | 8µA                                                                             |
| CURRENT - OUTPUT (MAX)           | 7mA                                                                             |
| ACCURACY                         | ±2.2°C                                                                          |
