| DESCRIPTION                       | IC OPAMP CURR SENSE 60KHZ 8SOIC                                                    |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                         |
| QUANTITY AVAILABLE                | 66403 pcs                                                                          |
| DATA SHEET                        |                                                                                    |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 3 V ~ 5.5 V                                                                        |
| VOLTAGE - INPUT OFFSET            | 150µV                                                                              |
| SUPPLIER DEVICE PACKAGE           | 8-SOIC                                                                             |
| SLEW RATE                         | 0.83 V/µs                                                                          |
| SERIES                            | LMP®                                                                               |
| PACKAGING                         | Tape & Reel (TR)                                                                   |
| PACKAGE / CASE                    | 8-SOIC (0.154", 3.90mm Width)                                                      |
| OUTPUT TYPE                       | -                                                                                  |
| OTHER NAMES                       | 296-35346-2<br>LMP8601MAX<br>LMP8601MAX-ND<br>LMP8601MAX/NOPB-ND<br>LMP8601MAXNOPB |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                                                      |
| NUMBER OF CIRCUITS                | 1                                                                                  |
| MOUNTING TYPE                     | Surface Mount                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                      |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                         |
| GAIN BANDWIDTH PRODUCT            | 60kHz                                                                              |
| DETAILED DESCRIPTION              | Current Sense Amplifier 1 Circuit 8-SOIC                                           |
| CURRENT - SUPPLY                  | 1.1mA                                                                              |
| CURRENT - OUTPUT / CHANNEL        | 48mA                                                                               |
| CURRENT - INPUT BIAS              | 0.04pA                                                                             |
| BASE PART NUMBER                  | LMP8601                                                                            |
| AMPLIFIER TYPE                    | Current Sense                                                                      |
