|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | R5F213G6CNNP#W4                                                                                              |
| Manufacturer/Brand: | Renesas Electronics America                                                                                  |
| Product description | IC MCU 16BIT 32KB FLASH 24HWQFN                                                                              |
| Datasheets:         |  1.R5F213G6CNNP#W4.pdf      |
|                     |  2.R5F213G6CNNP#W4.pdf      |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 3074 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of R5F213G6CNNP#W4

|                                  |                                                                                                           |

| QUANTITY AVAILABLE               | 3074 pcs                                                                                                  |
| DATA SHEET                       |  1.R5F213G6CNNP#W4.pdf |
|                                  |  2.R5F213G6CNNP#W4.pdf |
| VOLTAGE - SUPPLY (VCC/VDD)       | 1.8 V ~ 5.5 V                                                                                             |
| SUPPLIER DEVICE PACKAGE          | 24-HWQFN (4x4)                                                                                            |
| SPEED                            | 20MHz                                                                                                     |
| SERIES                           | R8C/3x/3GC                                                                                                |
| RAM SIZE                         | 2.5K x 8                                                                                                  |
| PROGRAM MEMORY TYPE              | FLASH                                                                                                     |
| PROGRAM MEMORY SIZE              | 32KB (32K x 8)                                                                                            |
| PERIPHERALS                      | POR, PWM, Voltage Detect, WDT                                                                             |
| PACKAGING                        | Tape & Reel (TR)                                                                                          |
| PACKAGE / CASE                   | 24-WFQFN Exposed Pad                                                                                      |
| OSCILLATOR TYPE                  | Internal                                                                                                  |
| OPERATING TEMPERATURE            | -20°C ~ 85°C (TA)                                                                                         |
| NUMBER OF I/O                    | 19                                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                |
| EEPROM SIZE                      | -                                                                                                         |
| DETAILED DESCRIPTION             | R8C R8C/3x/3GC Microcontroller IC 16-Bit 20MHz 32KB (32K x 8) FLASH 24-HWQFN (4x4)                        |
| DATA CONVERTERS                  | A/D 8x10b, D/A 2x8b                                                                                       |
| CORE SIZE                        | 16-Bit                                                                                                    |
| CORE PROCESSOR                   | R8C                                                                                                       |
| CONNECTIVITY                     | I²C, LINbus, SIO, SSU, UART/USART                                                                         |
| BASE PART NUMBER                 | R5F213                                                                                                    |
