| DESCRIPTION                      | IC VOLT MONITOR SNGL TSOT23-8                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                  |
| QUANTITY AVAILABLE               | 45470 pcs                                                                                                                   |
| DATA SHEET                       |  <a href="#">LTC2912ITS8-1#TRPBF.pdf</a> |
| VOLTAGE - THRESHOLD              | Adjustable/Selectable                                                                                                       |
| TYPE                             | Simple Reset/Power-On Reset                                                                                                 |
| SUPPLIER DEVICE PACKAGE          | TSOT-23-8                                                                                                                   |
| SERIES                           | -                                                                                                                           |
| RESET TIMEOUT                    | Adjustable/Selectable                                                                                                       |
| RESET                            | Active Low                                                                                                                  |
| PACKAGING                        | Tape & Reel (TR)                                                                                                            |
| PACKAGE / CASE                   | SOT-23-8 Thin, TSOT-23-8                                                                                                    |
| OUTPUT                           | Open Drain or Open Collector                                                                                                |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                           |
| NUMBER OF VOLTAGES MONITORED     | 1                                                                                                                           |
| MOUNTING TYPE                    | Surface Mount                                                                                                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                  |
| DETAILED DESCRIPTION             | Supervisor Open Drain or Open Collector 1 Channel TSOT-23-8                                                                 |
