Specifications of M74HCT138RM13TR

|                                  |                                                                                                                         |
|----------------------------------|-------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | M74HCT138RM13TR                                                                                                         |
| MANUFACTURER                     | STMicroelectronics                                                                                                      |
| DESCRIPTION                      | IC DECODER 3 TO 8 LINE 16-SOIC                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                              |
| QUANTITY AVAILABLE               | 206734 pcs                                                                                                              |
| DATA SHEET                       |  <a href="#">M74HCT138RM13TR.pdf</a> |
| VOLTAGE SUPPLY SOURCE            | Single Supply                                                                                                           |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                                                           |
| TYPE                             | Decoder/Demultiplexer                                                                                                   |
| SUPPLIER DEVICE PACKAGE          | 16-SO                                                                                                                   |
| SERIES                           | 74HCT                                                                                                                   |
| PACKAGING                        | Original-Reel®                                                                                                          |
| PACKAGE / CASE                   | 16-SOIC (0.154", 3.90mm Width)                                                                                          |
| OTHER NAMES                      | 497-1900-6                                                                                                              |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                                                                                           |
| MOUNTING TYPE                    | Surface Mount                                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                              |
| INDEPENDENT CIRCUITS             | 1                                                                                                                       |
| DETAILED DESCRIPTION             | Decoder/Demultiplexer 1 x 3:8 16-SO                                                                                     |
| CURRENT - OUTPUT HIGH, LOW       | 4mA, 4mA                                                                                                                |
| CIRCUIT                          | 1 x 3:8                                                                                                                 |
| BASE PART NUMBER                 | 74HCT138                                                                                                                |
