| DESCRIPTION                      | RELAY GEN PURPOSE 3PDT 8A 110V                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                   |
| QUANTITY AVAILABLE               | 376 pcs                                                      |
| DATA SHEET                       |                                                              |
| TURN ON VOLTAGE (MAX)            | -                                                            |
| TURN OFF VOLTAGE (MIN)           | -                                                            |
| TERMINATION STYLE                | Plug In                                                      |
| SWITCHING VOLTAGE                | 250VAC, 300VDC - Max                                         |
| SERIES                           | V23008, AXICOM                                               |
| RELAY TYPE                       | General Purpose                                              |
| PACKAGING                        | Bulk                                                         |
| OTHER NAMES                      | V23008A 15A101                                               |
| OPERATING TEMPERATURE            | -40°C ~ 65°C                                                 |
| MOUNTING TYPE                    | Socketable                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                   |
| FEATURES                         | -                                                            |
| DETAILED DESCRIPTION             | General Purpose Relay 3PDT (3 Form C) 110VAC Coil Socketable |
| CONTACT RATING (CURRENT)         | 8A                                                           |
| CONTACT MATERIAL                 | Silver Nickel (AgNi)                                         |
| CONTACT FORM                     | 3PDT (3 Form C)                                              |
| COIL VOLTAGE                     | 110VAC                                                       |
| COIL TYPE                        | Non Latching                                                 |
| COIL RESISTANCE                  | 620 Ohms                                                     |
| COIL POWER                       | -                                                            |
| COIL CURRENT                     | 31.0mA                                                       |
