| QUANTITY AVAILABLE                 | 25189 pcs                                                                 |
| DATA SHEET                         |                                                                           |
| VOLTAGE - SUPPLY                   | 1.65 V ~ 1.95 V, 4.5 V ~ 16 V                                             |
| TYPE                               | Class D                                                                   |
| SUPPLIER DEVICE PACKAGE            | 30-DSBGA                                                                  |
| SERIES                             | -                                                                         |
| PACKAGING                          | Original-Reel®                                                            |
| PACKAGE / CASE                     | 30-UFBGA, DSBGA                                                           |
| OUTPUT TYPE                        | 1-Channel (Mono)                                                          |
| OTHER NAMES                        | 296-47924-6                                                               |
| OPERATING TEMPERATURE              | -40°C ~ 85°C                                                              |
| MOUNTING TYPE                      | Surface Mount                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL)   | 1 (Unlimited)                                                             |
| MAX OUTPUT POWER X CHANNELS @ LOAD | 20W x 1 @ 4 Ohm                                                           |
| LEAD FREE STATUS / ROHS STATUS     | Lead free / RoHS Compliant                                                |
| FEATURES                           | I²C, I²S, Mute, PWM, Short-Circuit and Thermal Protection, Volume Control |
| DETAILED DESCRIPTION               | Amplifier IC 1-Channel (Mono) Class D 30-DSBGA                            |
