| QUANTITY AVAILABLE               | 6714 pcs                                                                                                          |
| DATA SHEET                       |  <a href="#">OPB480L11.pdf</a> |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 16 V                                                                                                      |
| SERIES                           | Photologic®                                                                                                       |
| SENSING METHOD                   | Transmissive                                                                                                      |
| SENSING DISTANCE                 | 0.125" (3.18mm)                                                                                                   |
| RESPONSE TIME                    | 50ns                                                                                                              |
| PACKAGE / CASE                   | PCB Mount                                                                                                         |
| OUTPUT CONFIGURATION             | Pull-Up Resistor, Buffer                                                                                          |
| OTHER NAMES                      | Q1157381                                                                                                          |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                 |
| MOUNTING TYPE                    | Through Hole                                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                |
| DETAILED DESCRIPTION             | Optical Sensor Transmissive 0.125" (3.18mm) PCB Mount                                                             |
| CURRENT - SUPPLY                 | 7.5mA                                                                                                             |
