

CYWUSB6932-28SEC

|                     |                                                                                                                      |
|---------------------|----------------------------------------------------------------------------------------------------------------------|
| Part Number:        | CYWUSB6932-28SEC                                                                                                     |
| Manufacturer/Brand: | Cypress Semiconductor                                                                                                |
| Product description | IC RF TXRX ISM>1GHZ 28-SOIC                                                                                          |
| Datasheets:         |                                                                                                                      |
| RoHs Status         |  Contains lead / RoHS non-compliant |
| Stock Condition     | 3176 pcs stock                                                                                                       |
| Ship From           | Hong Kong                                                                                                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                |

REQUEST FOR QUOTATION

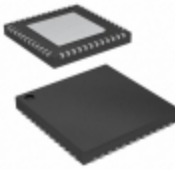

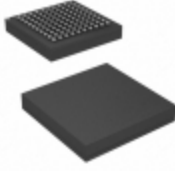

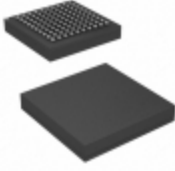

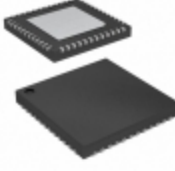

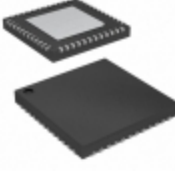

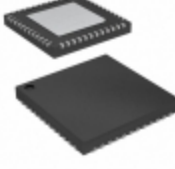

Specifications of CYWUSB6932-28SEC

|                                  |                                                                                      |
|----------------------------------|--------------------------------------------------------------------------------------|
| PART NUMBER                      | CYWUSB6932-28SEC                                                                     |
| MANUFACTURER                     | Cypress Semiconductor                                                                |
| DESCRIPTION                      | IC RF TXRX ISM>1GHZ 28-SOIC                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                   |
| QUANTITY AVAILABLE               | 3176 pcs                                                                             |
| DATA SHEET                       |                                                                                      |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 3.6 V                                                                        |
| TYPE                             | TxRx Only                                                                            |
| SERIES                           | WirelessUSB™                                                                         |
| SERIAL INTERFACES                | SPI                                                                                  |
| SENSITIVITY                      | -90dBm                                                                               |
| RF FAMILY/STANDARD               | General ISM > 1GHZ                                                                   |
| PROTOCOL                         | -                                                                                    |
| POWER - OUTPUT                   | 0dBm                                                                                 |
| PACKAGING                        | Tube                                                                                 |
| PACKAGE / CASE                   | 28-SOIC (0.295", 7.50mm Width) Exposed Pad                                           |
| OTHER NAMES                      | 428-1579-5                                                                           |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                        |
| MODULATION                       | DSSS, GFSK                                                                           |
| MEMORY SIZE                      | -                                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                   |
| FREQUENCY                        | 2.4GHz                                                                               |
| DETAILED DESCRIPTION             | IC RF TxRx Only General ISM > 1GHZ 2.4GHz 28-SOIC (0.295", 7.50mm Width) Exposed Pad |
| DATA RATE (MAX)                  | 62.5kbps                                                                             |
| CURRENT - TRANSMITTING           | 69.1mA                                                                               |
| CURRENT - RECEIVING              | 57.7mA                                                                               |
