| DESCRIPTION                          | IC MOSFET DVR 4.5A DUAL 8DFN                                                                         |
| LEAD FREE STATUS / ROHS STATUS       | Lead free / RoHS Compliant                                                                           |
| QUANTITY AVAILABLE                   | 46795 pcs                                                                                            |
| DATA SHEET                           |  MCP1404-E/MF.pdf |
| VOLTAGE - SUPPLY                     | 4.5 V ~ 18 V                                                                                         |
| SUPPLIER DEVICE PACKAGE              | 8-DFN-S (6x5)                                                                                        |
| SERIES                               | -                                                                                                    |
| RISE / FALL TIME (TYP)               | 15ns, 18ns                                                                                           |
| PACKAGING                            | Tube                                                                                                 |
| PACKAGE / CASE                       | 8-VDFN Exposed Pad                                                                                   |
| OPERATING TEMPERATURE                | -40°C ~ 150°C (TJ)                                                                                   |
| NUMBER OF DRIVERS                    | 2                                                                                                    |
| MOUNTING TYPE                        | Surface Mount                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL)     | 1 (Unlimited)                                                                                        |
| LOGIC VOLTAGE - VIL, VIH             | 0.8V, 2.4V                                                                                           |
| LEAD FREE STATUS / ROHS STATUS       | Lead free / RoHS Compliant                                                                           |
| INPUT TYPE                           | Non-Inverting                                                                                        |
| GATE TYPE                            | IGBT, N-Channel, P-Channel MOSFET                                                                    |
| DRIVEN CONFIGURATION                 | Low-Side                                                                                             |
| DETAILED DESCRIPTION                 | Low-Side Gate Driver IC Non-Inverting 8-DFN-S (6x5)                                                  |
| CURRENT - PEAK OUTPUT (SOURCE, SINK) | 4.5A, 4.5A                                                                                           |
| CHANNEL TYPE                         | Independent                                                                                          |
| BASE PART NUMBER                     | MCP1404                                                                                              |
