|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | TLV3401CDBVRG4                                                                                               |
| Manufacturer/Brand: | N/A                                                                                                          |
| Product description | IC COMPARATOR SGL OD OUT SOT23-5                                                                             |
| Datasheets:         |                                                                                                              |
| RoHS Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 129589 pcs stock                                                                                             |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of TLV3401CDBVRG4

|                                   |                                                      |
|-----------------------------------|------------------------------------------------------|
| PART NUMBER                       | TLV3401CDBVRG4                                       |
| MANUFACTURER                      | N/A                                                  |
| DESCRIPTION                       | IC COMPARATOR SGL OD OUT SOT23-5                     |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                           |
| QUANTITY AVAILABLE                | 129589 pcs                                           |
| DATA SHEET                        |                                                      |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2.5 V ~ 16 V, ±1.25 V ~ 8 V                          |
| VOLTAGE - INPUT OFFSET (MAX)      | 3.6mV @ 15V                                          |
| TYPE                              | General Purpose                                      |
| SUPPLIER DEVICE PACKAGE           | SOT-23-5                                             |
| SERIES                            | -                                                    |
| PROPAGATION DELAY (MAX)           | 300µs                                                |
| PACKAGING                         | Tape & Reel (TR)                                     |
| PACKAGE / CASE                    | SC-74A, SOT-753                                      |
| OUTPUT TYPE                       | CMOS, Open-Drain                                     |
| OPERATING TEMPERATURE             | 0°C ~ 70°C                                           |
| NUMBER OF ELEMENTS                | 1                                                    |
| MOUNTING TYPE                     | Surface Mount                                        |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                        |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                           |
| HYSTERESIS                        | -                                                    |
| DETAILED DESCRIPTION              | Comparator General Purpose CMOS, Open-Drain SOT-23-5 |
| CURRENT - QUIESCENT (MAX)         | 950nA                                                |
| CURRENT - OUTPUT (TYP)            | 10mA                                                 |
| CURRENT - INPUT BIAS (MAX)        | 250pA @ 15V                                          |
| CMRR, PSRR (TYP)                  | 88dB CMRR, 105dB PSRR                                |
| BASE PART NUMBER                  | TLV3401                                              |
