SI3232-G-GQR

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | SI3232-G-GQR                                                                                                 |
| Manufacturer/Brand: | Energy Micro (Silicon Labs)                                                                                  |
| Product description | IC SLIC PROG DUAL-CH 64TQFP                                                                                  |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 4264 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of SI3232-G-GQR

|                                  |                                                                            |
|----------------------------------|----------------------------------------------------------------------------|
| PART NUMBER                      | SI3232-G-GQR                                                               |
| MANUFACTURER                     | Energy Micro (Silicon Labs)                                                |
| DESCRIPTION                      | IC SLIC PROG DUAL-CH 64TQFP                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                 |
| QUANTITY AVAILABLE               | 4264 pcs                                                                   |
| DATA SHEET                       |                                                                            |
| VOLTAGE - SUPPLY                 | 3.13 V ~ 3.47 V                                                            |
| SUPPLIER DEVICE PACKAGE          | 64-TQFP (10x10)                                                            |
| SERIES                           | -                                                                          |
| POWER (WATTS)                    | 280mW                                                                      |
| PACKAGING                        | Tape & Reel (TR)                                                           |
| PACKAGE / CASE                   | 64-TQFP                                                                    |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                               |
| NUMBER OF CIRCUITS               | 2                                                                          |
| MOUNTING TYPE                    | Surface Mount                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                 |
| INTERFACE                        | ISDN                                                                       |
| INCLUDES                         | -                                                                          |
| FUNCTION                         | Subscriber Line Interface Concept (SLIC), CODEC                            |
| DETAILED DESCRIPTION             | Telecom IC Subscriber Line Interface Concept (SLIC), CODEC 64-TQFP (10x10) |
| CURRENT - SUPPLY                 | 28mA                                                                       |
| BASE PART NUMBER                 | SI3232                                                                     |
