| DATA SHEET                       |  LD1117SC-R.pdf |
| VOLTAGE DROPOUT (MAX)            | 1.3V @ 800mA                                                                                       |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 1.25V                                                                                              |
| VOLTAGE - OUTPUT (MAX)           | 15V                                                                                                |
| VOLTAGE - INPUT (MAX)            | 15V                                                                                                |
| SUPPLIER DEVICE PACKAGE          | SOT-223                                                                                            |
| SERIES                           | -                                                                                                  |
| PROTECTION FEATURES              | Over Current, Over Temperature                                                                     |
| PACKAGING                        | Original-Reel®                                                                                     |
| PACKAGE / CASE                   | TO-261-4, TO-261AA                                                                                 |
| PSRR                             | 75dB (120Hz)                                                                                       |
| OUTPUT TYPE                      | Adjustable                                                                                         |
| OUTPUT CONFIGURATION             | Positive                                                                                           |
| OTHER NAMES                      | 497-4241-6                                                                                         |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                      |
| NUMBER OF REGULATORS             | 1                                                                                                  |
| MOUNTING TYPE                    | Surface Mount                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                         |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Adjustable 1 Output 1.25 V ~ 15 V 800mA SOT-223               |
| CURRENT - QUIESCENT (IQ)         | 5mA                                                                                                |
| CURRENT - OUTPUT                 | 800mA                                                                                              |
| CONTROL FEATURES                 | -                                                                                                  |
