

Long-term Support  
World Class Quality

ISSI (Integrated Silicon Solution, Inc.)

IS61LV6416-8KL

Part Number:

IS61LV6416-8KL

Manufacturer/Brand:

ISSI (Integrated Silicon Solution, Inc.)

Product description

IC SRAM 1M PARALLEL 44SOJ

Datasheets:

 IS61LV6416-8KL.pdf

RoHs Status

 Lead free / RoHS Compliant

Stock Condition

53695 pcs stock

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of IS61LV6416-8KL

|                                  |                                                                                                        |

| DATA SHEET                       |  IS61LV6416-8KL.pdf |
| WRITE CYCLE TIME - WORD, PAGE    | 8ns                                                                                                    |
| VOLTAGE - SUPPLY                 | 3.135 V ~ 3.6 V                                                                                        |
| TECHNOLOGY                       | SRAM - Asynchronous                                                                                    |
| SUPPLIER DEVICE PACKAGE          | 44-SOJ                                                                                                 |
| SERIES                           | -                                                                                                      |
| PACKAGING                        | Tube                                                                                                   |
| PACKAGE / CASE                   | 44-BSOJ (0.400", 10.16mm Width)                                                                        |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                          |
| MEMORY TYPE                      | Volatile                                                                                               |
| MEMORY SIZE                      | 1Mb (64K x 16)                                                                                         |
| MEMORY INTERFACE                 | Parallel                                                                                               |
| MEMORY FORMAT                    | SRAM                                                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| DETAILED DESCRIPTION             | SRAM - Asynchronous Memory IC 1Mb (64K x 16) Parallel 8ns 44-SOJ                                       |
| ACCESS TIME                      | 8ns                                                                                                    |
